

## **Choice of company model (SpA, Srl, SAPA, Snc, Sas)**

1/1

~~Be it a corporation or partnership, it is of fundamental importance to have an expert consultant able to explain through the details and implications of each company model before undertaking an economic activity.~~

Studio Santececchi's professionals have supported dozens of entrepreneurs in the choice of company model best suited to their goals, primarily by listening to their requirements and detailing their advantages and commitments for each option. If it is not possible to join us at the firm, the link '[Online Consultancy](#)' will allow you to receive a professional consultancy at distance.
